Dear NRMP subscriber

01/11/10 AMENDMENTS TO THE NELSON RESOURCE MANAGEMENT PLAN

Please find enclosed a set of amendments for the Nelson Resource Management Plan (NRMP).

These amendments provide for the following:

- proposed Plan Changes 14, 17, 18, 19, 21, 22, 23, 24, 25 and 26;
- operative Plan Change 15;
- alteration to designation DTR4;
- minor changes and corrections pursuant to Clause 20A of the First Schedule RMA.

Plan Changes

Please refer to council's website (<u>www.nelsoncitycouncil.co.nz/nrmp-plan-changes</u>) for more information on proposed and operative Plan Changes.

This is the first set of amendments to use the Council's new method for showing proposed Plan Changes in the NRMP. Changes are shown by placing a symbol as near as practical to the title of the provision proposed to be changed. See webpage below for more information.

www.nelsoncitycouncil.co.nz/display-changes-for-nrmp-proposed-plan-changes

Points to note:

- Proposed rule amendments have no legal effect until decisions are made.
- Plan provisions can spill over more than one page (this can include diagrams) so to be sure to check the relevant Plan Change document.
- Where a symbol is placed between clauses (e.g. may be shown at the bottom of a page) this indicates new provisions to be added.
- All proposed changes are indicated, both significant and insignificant (such as changes to references).
- Have relevant Plan Change documents at hand when using the NRMP.
- Tip: obtain an electronic copy of the Plan Change from Council's website and use a "CTRL F" search to find specific change provisions.

Alteration to designation DTR4

Alteration to DTR4 (NZ Transport Agency, State Highway 6) at the Teal River bridge has completed its s181 statutory process.

Clause 20A (minor) changes and corrections

A number of other minor changes and corrections have been made pursuant to Clause 20A of the First Schedule RMA including corrected heritage tree and woodland locations on reprinted planning maps.

Please update your copy of the NRMP as per the attached filing instructions. A schedule of all amendments is attached for your reference.

Also included is a replacement 'Record of Amendments' sheet for your records.
