

In the central city parking squares (Buxton, Montgomery, Wakatu), please camp overnight in the designated areas only. These are marked out by signs and blue lines painted on the ground – it is not permitted to camp outside these lines.

The maximum period of stay in any of the restricted locations is two consecutive nights on no more than two separate occasions in any calendar month.

“Night” is defined as being from 10pm until 7am only.

Normal parking restrictions and charges apply from 8am-5pm weekdays and 9am-1pm Saturdays.

Vehicles and their associated possessions must remain within one single car parking space (where defined) or within 1 metre of the vehicle if a parking space isn't defined.

Please be aware that there is a liquor ban in Nelson's city centre which means you can't drink alcohol outside but you can do so in the privacy of your camper.

WHERE TO CAMP IN NELSON

Self-contained vehicles only

Nelson City Council hopes you enjoy your camping trip in the top of the South Island. Here's some useful information to help you enjoy your stay.

For certified self-contained vehicles (CSC), some restrictions have been put in place that control the numbers of vehicles and the areas where they can park, including parks and the central city carparks (as per below). Freedom Camping is not permitted in any other areas in the central city or in other parks and reserves, except within an official campground.

Please be aware that Nelson City Council actively enforces the rules around Freedom Camping within the Nelson area. If you breach the rules you could receive a \$200 fine.
